Here you go. Steven Moores is assigned to Summitville – he took it over recently from Laurianne Jackson. If there is anything I can help with please let me know. I will not be attending the June meeting in Butte but Chris Thompson, the new LEP director is going to attend along with Aaron. We were thinking that Aaron would give a report out on enforcement accomplishments and Chris maybe a report out on recent cases. We can also be prepared if there are other issues the group would like to see covered.

All is well on the home front – my daughter is visiting next weekend. Can't wait! Love seeing pictures of Leo on facebook!

Good Morning Andrea,

When you have time can you please send me an updated case assignments list. We may have one down here but no-one seems to know who has it. In the short term I am looking to find who the site attorney is on Summitville. We have our Superfund Managers Meeting agenda call this morning, if you're not able to make the call let me know if you have any topics for June. Rumor has it that Rafael Deleon is interested in attending along with Woolford.

Thanks in advance and I sure hope all is well with you and your family.
